

GLOBAL EXHIBITION & CONGRESS ON **INNOVATION (GECI)**

**14 - 16 December, 2021
New Delhi**

FIRST OF ITS KIND EXHIBITION WHERE ENTREPRENEUR'S MEET INVESTORS

As the world grapples with the COVID-19 pandemic, the significance of innovation is even more greatly felt. In the virtual Era, India is geared up for the professional marketplace of ideas and inventions with the mission to realize the vision of Atmarnirbhar Bharat, an innovative nation.

Global Exhibition Congress on Innovation, a leading platform in bringing both sides to the table – entrepreneurs, inventors and researchers converge with investors, manufacturers and industry players.

Global Exhibition Congress on Innovation (GECI) will be the best launchpad for ideas to be turned into commercially viable realities, being the ideal meeting point for inventors and entrepreneurs with investors and industry players for joint collaboration.

WHY PARTICIPATE?

- Opportunity to meet the world's entrepreneurs - the doers and makers of things.
- Accelerate innovation
- Investors, venture capitalists, manufacturers, entrepreneurs, distributors, and the corporate sectors make their way to GECI specifically to explore new business ventures.
- GECI is where the commercialization of Inventions/new products happens.
- GECI provides the best audience for prototype inventions or products. Get feedback from investors and fine-tune to achieve successful commercialization.
